雞二理念

TORINI Ideology.

民以食為天

Food is the first necessity of the people.

關於拉麵一碗要賣多少錢？或許有人認為，要賣的貴才會讓人覺得有價值。但我們卻認為，因為好吃所以要更便宜，東西好吃應該要讓所有人分享，而不是只提供給少數負擔得起的人，要讓所有人都吃得起，這才是食物這東西，所需要存在的意義及目的。

To talk about how many dollars cost one bowl of hand-pulled noodles, maybe someone considers the price must be high in order to let people feel valuable. But we think it should be cheaper because it's delicious. Delicious food should be shared with every one rather than only provided to a few people who could afford it. To make person be able to have, is food this thing,

the existing meaning and purpose it need.

雞二原則

TORINI Principle.
