

前情提要

本檔案的來由為：

一名陸籍母親委託江蘇省某以英語自然拼讀為主的補習班，製作其女兒參加大陸全國英文競賽所需的特訓講義；而該所補習班因看中本人的英文語言能力、以及曾在江蘇省就學的經歷，將講義之競賽初選演說部份外包給本人製作。

本人按照該名母親提供之資料，加上自行搜尋研究「希望之星」英文競賽的歷屆資訊，花費約 2 日時間，以簡體字與江蘇地帶用語編撰了此教材，並考慮到其女兒小學一年級和與其年齡相比稍高的英文程度、以及其中等考級程度的鋼琴技能，盡可能將教材編撰得有趣生動、符合興趣。供有需求之案主參考！

分析与练习

演讲稿撰写诀窍

- 题材准备

平时生活中多仔细观察世界周遭、多听闻多阅读、开阔眼界。

需要找对应题材时，细腻地咀嚼思索平时的生活体验，由主题联想，从中找出合适的素材。

- 应对不同主题

当需要为不同主题写作时，若有熟悉的题材，可直接换汤不换药地取用。

如：对钢琴最有经验与心得体会，那么不论遇到什么主题都可围绕钢琴发想，找出切合主题的部份，加以拓展联想。

- 大纲构思

多半以“起>承>转>合”作为主体架构，构思出主线清晰有条理的大纲草稿。

可使用Mind Map作头脑风暴，也可用树枝图发展主(论点)次(举例)关系。

大纲无需太复杂，简单速写即可，甚至可用单字或记号规划内容。

演讲稿撰写诀窍

- 根据大纲撰写文稿

依照大纲安排开始写作，过程中若有不顺畅的地方可临时修正，令讲稿更容易阅读和背诵。

- 词汇及文法检查润饰

完成写作后，应确实检查讲稿的词汇使用是否精准，以及文法句构是否合宜。

- 缩写或扩写

根据时间或情境需求改写原讲稿，使其能够符合演说规定。

可以根据大纲内容，围绕核心概念，增加或减少次要概念或具体实例，来达到扩写或缩写之目的。

也可以透过句式的改编，来去除冗词赘字减少讲稿长度，或增加内容丰富性与讲稿长度。

The Voice of Time

Corw (C): It is SCORCHING hot today. I'm so thirsty!

Narrator (N): A crow flew here and there in search of water in a hot summer day, but in vain. After a long while...

C: Look! There's a pitcher with a little water in it, but the neck of the pitcher is too long. I can't reach the water with my beak now. What should I do?

N: The corw stared at the pebbles around for a second.

C: (Ding Dong~~) I have an idea! Let me pick the pebbles and drop them in the pitcher.

N: And she did.

C: Hooray! The level of water is rising to the top. Now, I can drink water as I wished!

N: This story proves that one can overcome any problem after trying hard enough.

It's a sunny day with several clouds in the sky. A girl and two boys are on the beach. A cute puppy is between them. They seems to play happily with their different equipments.

The girl with blond hair is bearing a life ring; The boy with green pattern blue pants is wearing goggles on his neck; The other boy with red pants is wearing a pair of swimming fins; And the cute puppy looks like fetching the ball excitedly.

This must be an interesting day beside the wavy sea!

Eight children are playing on the playground. Around it are trees with different colors of leaves and trunks, some tall buildings far away, and a fence restricting the area of the playground.

No one is playing on the slide with a red wooden roof. It seems that the children are more interested in other activities. One girl is playing soccer, while another girl chasing a boy wearing green T-shirt. The boy swinging is on the left of another boy sitting on a springing duck. Beside them is a red-headed girl jump-roping, and yet two other girls: One drawing with crayons, the other dancing or jogging.

Everyone is having fun!

Voice in My Head e.g.3

This is a pond full of life. Under the nice weather, lots of creatures come out to play! There's a red butterfly flying freely above a jumping frog. A pink lottus is floating on the pond with shiny ripples. So are a fish and a duck. Around the pond is a colorful ground full of unknown plants, grasses and flowers.

What a cheerful natural environment! I would love to have a picnic or hold an outdoor party at this place!

- **1st Round Speech Topic: 仍未公布 (Still Unknown)**

选手须根据各组别的主题，进行40~60秒的个性演讲。在演讲的过程中，可以通过展示其特长及爱好，配合演讲的呈现。

I Am a Star

I Am a Star

The piano has accompanied me since I was 4. I was enchanted by the elegant sound of it. At first, I tried hard to play every piece of music well. However, as the music got more difficult, I began to escape from practicing.

Recently, while reluctantly preparing for piano certification exam, the *Polonaise in G minor* of Chopin (正确发音: 英式近似“小胖”; 美式近似“手盼”) made me decide to “face the music” (双关语, 记得用 “air quote”) because of its beautiful melody and the story behind it: Chopin composed it at the age of 7, which is my current age. How I wish I could become as famous and influential as him!

To reach the goal, I started to actively participate in contests. When I won the awards with my true talent, I feel myself shining, and inspiring the ones who also like playing the piano.

A star shines by itself and other planets reflect its light. I AM (扬声强调) my own star in the field of piano. And I know I'll shine even brighter in the future! (若時間來不及, in the future可省略不講)
