Excellence

## How it Works

- ▶ LILIN edge LPR camera is able to recognize number plates without a PC.
- ▶ Built-in allowed list, denial list, and visitor list for parking, building, office, and home automation.

## LPR for Home Automation

- ▶ Turn on lights after LPR
- ▶ LILINViewer push notification for visitors
- ▶ LILINViewer push notification for FedEx or UPS vehicles approaching home (visitor detection).

## LPR for Gate Control

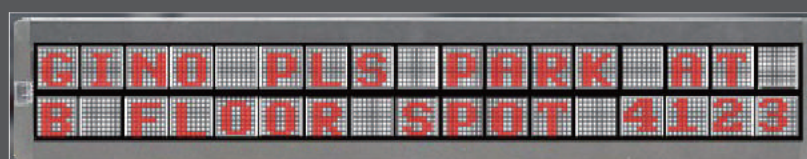

- Number plate recognitions in a camera without a PC
- Open a gate after recognizing an allowed number plate
- LILINViewer notification after recognizing an denial number plate
- Easy web management for entering date & time for limited access
