

SLIMMING

SHISEIDO ADVANCED BODY CREATOR - AROMATIC SCULPTING GEL

Suitable for: Women who want to slim their contours. Women who want to reduce cellulite

A light, cooling, non-sticky body gel that refines body contours, leaving skin feeling smooth, firm and moisturized. Shiseido's exclusive, uplifting fragrance **SLM** and unique **Sculpting Plant Complex** work together to help activate fat breakdown and fat burn, while reducing the orange peel appearance of cellulite for smooth, toned contours.

To use: Generously blend into the body, especially in areas of concern such as hips, waist and arms. For best results, use once a day or more. Avoid using other products that have distinct fragrance during and up to 15 minutes after application.

Benefits
