車衣設計 Bike Clothes

配合廠商提供自行車款，將品牌logo與傳統鄉村碎花拼接，加上流線線條表現出典雅設計風味。

Design is the creation of a plan or convention for the construction of an object or a system (as in architectural blueprints, engineering drawings, business processes, circuit diagrams and sewing patterns).[1] Design has different connotations in different fields (see design disciplines below). In some cases the direct construction of an object (as in pottery, engineering, management, cowboy coding and graphic design) is also considered to be design. More formally design has been defined as follows.
